And speaking of the ECRM: Can you help? The Museum is coordinating a spring clean - up both in the museum building, and on our surrounding rail lands. Volunteers are needed to help collect litter from our property, and to assist with preparing the museum interior for our peak visitor season. We hope to de-clutter the shops, give the floors in public areas a thorough sweep and wash where possible, and paint the floor in the artifact exhibit room. If you are interested in assisting, please contact Dawn Miskelly at 519 - 637 - 6284 or dawnm@ecrm5700.org

Thomas the Tank Engine™ is pulling into St. Thomas, for Day Out With Thomas™: Mystery On The Rails Tour 2012, July 13 - 15 and 20- 22 at the St. Thomas- Elgin Memorial Centre. Visit www.ecrm5700.org for more information and tickets.

Museum staff and volunteers continue the cataloguing and accessioning **the Museum’s artifact collection**. There are now 3,588 items entered into the on - line database. The database can be searched by visitors using a computer station in the artifact exhibit room, or from home at <http://inmagic.elgin-county.on.ca/museum>

On a personal note:

Condolences go out to the Collyer family based in London, Ontario. Steve Collyer's wife Donna passed away suddenly May 12th. Steve is a long time active model railroader in London serving several terms as President of the London Model Railroad Association. Donna was always at his side assisting wherever she could.
