

Junction Gang News

June 30, 2012

(Tips and links for model railroaders and railfans!)

My web page has been updated!

–new Layout at a Glance Page

--many more links added

–“Junction Gang News “ newsletter has been archived as well!

All at www.junctionwestsub.ca

HOPE EVERYONE HAD A GREAT CANADA DAY !!

Day Out with Thomas reminder! This month!!

<http://ecrm5700.org/day-out-with-thomas/>

“hi John-Great video of #9-

The town of Minto is looking for a set of trucks as they have a caboose and cook car they are restoring.

I am looking for help in locating a set of trucks-if any of your contacts could help it would be appreciated,

Thanks Wayne Martin 519-343-3808“

Chris Patrick of the Moccasin Model Railroad Club, Cornwall sends this reminder:

The MRH magazine is free, you can download it if you want, or read it on line. Back issues to 2009 are available, and its info is great.

You can also see demos on u-tube via links in some of the articles.

Parkview Trains Stratford

If you are in the Stratford area be sure to visit the Parkview Train Club. They meet every Thursday night (from 7-9 PM) at Parkview United Church for construction but the first Thursday is reserved for operation. Contact is Doug of Doug’s Printing Service @ 519 271-3450 or 519 271-7803

London's N scale model rr club the "N"gineers has moved (from behind Doug's Trains) to a new location in the Huron and Highbury area. Once set up, plans are to have a once a month Wednesday night public viewing session.

Contact is John Shapendonk john.shapendonk@sympatico.ca

From RR-Line Forum

This is a video of 3,000 pictures stitched together to make a video of some guy tearing an engine apart and rebuilding it.

Well worth the look!

[<http://www.youtube.com/watch?v=daVDrGsaDME&feature=youtu.be>]

The equipment at the [Sturgeon steam sawmill](#) is a little older (1914) and there are some nice photos of it in operation.

[Muskoka Layout Tour](#)

“Al Crisp here; It would be helpful to our tour if you kept up the reminders as we are adding new photos and videos to our page at www.model-railroad-infoguy.com/muskoka-layout.html. More details will be added as the time gets nearer regards the passes and the maps to each location.”

Thanks AL and Roger and Bill.
